Cans collector designs Más Gourmet

JAZMÍN CASTRESANA - 24/01/2012

Mas Gourmet introduces its new line of vintage style 50's packs with which to customize the gourmet shop.

To celebrate the opening of its first store in Barcelona in 1945, Mas Gourmet store chain high charcuterie, presents a unique line of vintage style 50's packs.

Present decoration, fashion and architecture, vintage style trend also reaches these containers designed for cooking gourmet wrap gifts in the most trendy or indulge yourself to provide a touch of nostalgia to the pantry.

This original pop-art packaging, will change each year for the firm's clients can collect.

Available in three sizes, will be presented to beat in this year's Madrid Fusion and also can be achieved in all stores of the firm (14 in Barcelona and one in Madrid).

The unique packaging can be customized with more than 3,500 references available gourmet establishments in the firm, among which hams, sausages and cheese and a variety of accessories delicatessen (fried, jams and spices, etc.).
